BOOK STORES.

A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated, BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol. octavo, 540 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E. Lee, and Gen Nathaniel Greene; beautiful Steel Engravings of "Marion crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C; the siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Hobkirk's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.

This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives a LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

PRICE:—Handsomely bound in Cloth, $4 00.

THE COMMON SCHOOLS.

Pilgrim Ashley, Superintendent of Public Instruction, was in Salisbury recently, accompanied by Assistant Superintendent, Hood, on a mission, we suppose, of putting the Common School system in operation.—Mr. Ashley delivered an address to the colored people, which, the *Examiner* says, was, in the main, very commendable, giving good advice to his colored auditory and impressing upon their minds the importance and advantages of a system of public instruction.

"In the close of his remarks," says the *Examiner*, "he told the colored men that they must demand schools, go to the County Commissioners, learn how much money was due their townships for this purpose, and then *demand* that the schools be started."

With all due deference to the superior wisdom and judgment of Mr. Ashley, we cannot see the necessity for such appeals as he seems to have made in his closing remarks. Who objects to the colored people having schools? Who is holding back, or likely to hold back the legitimate funds for this purpose? Such exhortations, it seems to us, is likely to make on the minds of the colored people the false impression that there is a disposition on the part of somebody to withhold from them their rights in this respect, thus making it necessary for them to *demand* these rights. Indeed, such appeals are likely to make them expect *more* than circumstances entitle them to, as was made to appear on the occasion alluded to at Salisbury, by the remarks of Joe Ballard, colored, who addressed the crowd as follows:

Ladies and Fellow Citizens:—I has a few words to say in reply to the gentleman, which have just taken his seat. He told you that you ought to demand those schools, now what I have to say is this: I holds in my hand the tax receipts of *seventy seven* colored men in this township, which they *have not yet paid*. Now until this tax is paid you has no right to demand schools, because you has not yet paid your tax The Sheriff has a right to go into your houses, and sell all the property that your wife can't hold, to pay this tax. It is for the purpose of starting these schools, and now don't accost these gentlemen, don't demand no schools until you has *paid* this tax.

Sound advice, that, from a colored man, to his brethren, but strange (!) to say, it was not applauded.

THE LEGISLATURE.

This body has now been in session three weeks, at a charge to the State of thirty thousand dollars, and we think it would be very difficult, under the most liberal calculation, to show that they have benefited the State, in any shape, to the amount of thirty cents. And what is more disheartening to the tax payers, on whose shoulders the burden of paying for the luxury rests, judging what they will do in the future from the programme shadowed forth in the bills and resolutions already introduced, it is hardly probable their work will be worth more in the next three weeks than it has been in the past three.

It is very remarkable that the Radicals in the Legislature, having all power in their hands, have not yet thought proper to move in regard to the two millions railroad bonds appropriated to the Chatham road; which bonds are known to have been issued and sold, and, although pronounced unconstitutional, have never been recalled, but are yet outstanding against the State.

The resolution introduced, ostensibly to sustain the credit of the State, but really to covertly heal and make valid these and other spurious bonds, have failed, thus far, to obtain sufficient favor to pass them in either House, but during the entire discussion, not one of the friends of the resolutions hinted at an exception in regard to them, because, as we have said of the covert purpose to heal them and give them validity by the resolutions.

In short, the Legislature seems bent on "doing those things they ought not to do, and leaving undone those things they ought to do."

THE INVESTIGATION.

As will be seen by our Legislative reports, the House has resolved to send a sub-committee to New York, to make inquiries in regard to the alleged frauds in the Railroad bonds. This is unexpected, and we predict an attempt to rescind the resolution will be made. They can't stand this; it was done unthoughtedly by the Republicans, we verily believe.

The two Republicans on the Committee, which consisted of only three, (Mr. Durham, the mover of the resolution being the other,) have declined to act. The Speaker, however, promised to appoint others forthwith.

We hope to see this move followed up vigorously—it is *the thing*; but we fear the Radicals will again throw obstacles in the way. If followed up, some telling developements may be expected.

Mr. Alex. Delmar, formerly Chief of the Bureau of Statistics, has purchased the Washington *Intelligencer* and *Express*, and will henceforth edit and publish the paper. Mr. Delmar announces the purpose to make it an independent newspaper; and also states that capital, experience, and enterprise will be brought to the task of making it a good paper.

[Mr. Seymour said it was the opinion of the Committee that the House had no power to summon before it, the co-ordinate branches of the Government—the Governor, members of the Supreme Court and Heads of Departments.

The question recurred upon the bill as amended.

Mr. Moore, of Chowan, said the amendments just adopted obviated the objections he had heretofore entertained.

Mr. Ingram said he was and had been all along in favor of the bill, but the Reporters of the House had not seen fit to place him on record. He did not intend to be gagged, &c., &c.

Mr. Hodgin asked to be excused from serving upon the Committee to proceed to New York to investigate the sale of North Carolina bonds.

On motion, Mr. Hodgin was excused from serving upon said Committee.

Mr. Moore, of Chowan, then offered a resolution that the Committee appointed to visit the city of New York, proceed to that city after other testimony has been taken before the Committee of the Whole, if, in the opinion of the House, it is then necessary.

Mr. Malone objected to the resolution and insisted that its adoption would defeat the end to which the Committee was raised. Pledges had been given by certain parties in New York, that opportunities would be given for this investigation to be prosecuted. He did not understand this proceeding. Here, after the House had voted to raise this Committee, is a proposition mooted whose effect will kill the resolution adopted. He hoped the resolution of the gentleman from Chowan, (Mr. Moore,) would not be adopted.

Mr. Moore, disclaimed any intention to hamper the resolution raising the Committee. He was willing that the Committee should proceed to New York the moment it became neccessary; the House could at any moment indicate to the Committee its wish that they should proceed upon the visit.

Mr. Malone said the mover of this resolution, (Mr. Durham,) was not in his seat, and he hoped Mr. Moore's resolution would not be adopted. This was nothing more than child's play—one moment the House adopts a resolution and the next, upon a base assertion of a member undoes its work.

Mr. Moore called the previous question. The call was sustained, and the motion to suspend the rules was adopted.

The question recurred upon Mr. Moore's amendment, that in the meantime, that the Chairman of the Committee of the Whole, correspond with parties in New York who can furnish information.

The yeas and nays were call and the amendment was adopted by the following ballot:

YEAS—Messrs. Ames, Ashworth, Blair, Bowman, Candler, Carson, Carey, Cawthorn, Downing, Eagles, Ellington, Graham, Gunter, Hodgin, Horney, Hudgings, Justus, of Henderson, Justice, of Rutherford, Kelly, of Moore, Leary, Mayo, McCanless, Mendenhall, Moore, of Chowan, Morrill, Peck, Reasons, Renfrow, Robbins, Robinson, Siegrist, Simonds, Snipes, Stanton, Sweat, Sykes, Vestal, Vest, Waldrop, White, Williamson, Wilson—42.

NORTH CAROLINA CONFERENCE OF THE METHODIST PROTESTANT CHURCH.

The forty-fourth session of the annual Conference of the Methodist Protestant Church, for the North Carolina District, composed of itinerant Ministers and Lay Delegates, was opened by the election of Rev. John Paris, President *pro tem.*, the President, Rev. W. H. Wills, not being present, in consequence of indisposition, and A. C. Harris, Secretary.

The opening sermon was preached by Rev. W. C. Kennett, from Isaiah 28 chap. 16 ver.

The following Ministers are members of Conference, nearly all of whom were present at the opening session: W. H. Wills, President, R. H. Wills, John Paris, C. A. Pickens, J. H. Gilbreath, W. C. Kennett, A. C. Harris, S. P. J. Harris, R. R. Michaux, A. W. Lineberry, C. F. Harris, James Deans, John W. Heath, Alson Gray, Tuck Howard Pegram, A. J. Laughlin, Joseph S. Dunn, Z. C. Lineberry, George E. Hunt, W. C. Hammer, H. W. People, J. L. Swain, R. W. Pegram, M. C. Heptinstall, James C. Deans, J. H. Page and J. R. Dail.

After a recess of thirty-five minutes, during which the members of Conference and the large congregation present, partook of the bountiful repast provided by the good people of the neighborhood, the Conference was called to order by Rev. Paris in the chair, and adopted the printed rules of order, so long used for its government, and which have been found so efficient.

The hour of 3 o'clock to morrow afternoon, was made the order of the day, for the election of President for the ensuing year.

This officer has the general superintendence, of the work throughout the District, during the intervals of Conference: and must perform certain duties prescribed in the Constitution and Discipline of the Church: His labours necessarily arduous and travel extensive.

According to custom, long established, in the N. C. District, the stationing power of the Conference, was to day vested in a Committee, composed of one Lay Delegate from each field of labor represented, with the addition of the President.

The hours fixed for the government of the session, were, "meet at 9 o'clock a. m., take recess at 11 o'clock a. m., for pulpit exercises and for refreshments, meet again at 1 o'clock p. m., and adjourn at pleasure.

Mount Pleasant, is a large and conveniently arranged wooden structure, recently erected, in a populous and hospitable neighborhood, by the Methodist Episcopal Church, South.

A large and intelligent congregation was present to day, giving promise of an overwhelming outflow of the Church going public.

SECOND DAY.

The Conference was opened with religious exercises. Rev. Jno. Paris, President *Pro tem*, in the chair.

All ministers and preachers of our Church, present were invited to take seats within the bar of the Conference as honorary members.

The Lay Members of the Conference are, S. S. Norman, Ira E. Norman, T. L. Whitaker, Dr. L. W. Batchelor, B. W. Hicks, William A. Harris, Jasper E York, Joseph B. Thompson, William J. Albright, Wesley A. Coe, James N. Caudle, Brinkley Pierse, W. H. Hurley, John L. Ogburn, D. L. Michael, Dr. P. A. Cox, James H. Querry, J. Beacham, Adam Dry, and James A. Carter.

Some five or six Lay Delegates were elected, from as many fields of labor, who have not reached the Conference.

Rev. Mr. Bates and Dr. Drinkhouse, fraternal messengers from the Maryland Annual Conference of the Methodist Protestant Church, were introduced to the Conference, and the hour of 2 o'clock P. M. tomorrow was set apart as the time for the reception of any communication they may wish to make to the Conference.

The interchange of fraternal communications, between Conferences of our own Church as well as between our Conference and other Ecclesiastical bodies, has rendered our annual gatherings more interesting, and contributed greatly to the advancement of the Redeemer's Kingdom.

The report of Bro. W. H. Wills, President of the Conference for the year just closed, was read by that functionary in person—he having so far recovered from his late indisposition as to be able to be with us to day.

According to the usage of the Confsence, the report of its chief officer is made to each annual session, and is intended to give to the body, a summary of the condition of the District, together with such recommendations as he may please to make for the good of the whole.

The annual examination into the character of our ministers, both official and moral, is a very interesting and important part of our proceedings. The purity and integrity o. the ministry, is of incalculable importance, and while we cannot say the custom alluded to secures so desirable an object, yet we do claim that it enables us to know whether our ministry continues "to grow in grace" and to be "examples to the flock."

In the afternoon, on the third balloting, Rev. A. W. Lineberry, was elected to the office of President for the ensuing year. He is a minister of experience and good report among his brethren, and it is hoped will make an excellent officer.

We had forebodings, in the morning, of disagreeable weather, which was relieved in the afternoon by the appearance of the sun and foreshadowing of a more bright and pleasant prospect.

December 2, 1869. A.

A VERY STRONG HINT.

We clip the following from the Greensborough *Register*, (Republican.) The remarks are pointed and truthful:

The Legislature is doing nothing. They still keep postponing the per diem question. They do not intend to reduce their pay one cent. They know that after this session no more of "spoils" will be theirs.—They know that the Republican party does not sustain them in their reckless extravagance. The people cannot be blinded and deceived by such actions, they will remember them when they shall ask them for their votes again. Remember, Republicans those whom you have sent to do your work and who have betrayed you.

We make this prediction: If the members of the present Legislature do not reduce their per diem, and do not pass laws reducing some of the fees of County offices; and the salaries of State officers; and if they perpetuate their term of office beyond the first Thursday in August, 1870,—it is good bye to the Republican party in North Carolina.

Many of the present members of the Legislature were selected from the farm, the workshop, yea and even the pulpit, but having by such selections honest men would be chosen—men who would work for the good of the people, but alas! we find them possessed of a spirit of avarice, and using their efforts to promote their own individual interests. Their conduct at the last session caused the Republican party to lose many supporters, and unless they make amends for the past, not only their doom politically is sealed, but that of the entire Republican party in this State. They are indeed cutting their own throats.

DISCOVERIES IN ARIZONA.—Discoveries have been lately made in Arizona Territory, which show conclusively that that region was once peopled by a highly civilized race. So numerous are the traces everywhere of fortifications and cities, that no one can doubt that the country must have been at least as populous as New England. The remains of this ancient race consist of ruined cities of great size, and of huge fortifications. These are found everywhere in the territory. Some of the fortresses are in the caves which are very common in that region, and are made by walling up their mouths. On the inside of these strongholds are found many evidences of civilization, such as flooring, well constructed of timber, and finely plastered walls. Scraps of well made cloth, twine, and other articles have been found in them.

A HUSBAND BOUGHT BY LAND.—When a woman has a right to buy, and does so buy, a husband, it would seem as if she had arrived very near the attainment of her full measure of rights. That she has done in the goodly city of Cleveland, and has said 'let it be so recorded.' By a deed of November 12, filed for record in the Recorder's office, November 24, Maggie McMahon conveys to John Stanton by warranty deed the undivided half of a certain lot of land in the old Kelly & Walworth allotment, 'in consideration of the payment by the said John Stanton of five dollars, and his marriage to the grantor this day immediately after this deed is made.' We are not informed as to Maggie's views on the woman's suffrage question.—*Cleveland Herald.*

THE SENTINEL.

CITY AND STATE ITEMS.

MONDAY, DECEMBER 6, 1869.

☞ THOS. S. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

DR. THOMAS H. TURNER having returned to his old home, offers his professional services to the citizens of Hillsboro and vicinity. 3w

UNITED STATES CIRCUIT COURT.—Saturday, Dec. 4th, 1869. The Court met at the usual hour. Hon. Z. B. Vance made his appearance in the bar to-day.

The case of William Mangum, who was indicted for robbing the mail, was called, and, upon motion of the defendant's council, was postponed until Thursday next.

Jesse Harris and Walker Tomlinson, convicted at this term of retailing liquors without license, were sentenced to pay a fine of $25 each, and costs.

The Judge decided that a bill once ignored by the Grand Jury can be returned to them with an additional witness. Exception taken.

U. S. vs. Allen and Duke was postponed until Monday. Indictment: manufacturing tobacco without bonds.

U. S. vs. John G. Yancey and George B. Hammett was continued until next term, upon affidavit of the defendants.

U. S. vs. John G. Yancey was disposed of in the same way.

The two cases of State of N. C. vs John Sherman, instituted in the Superior Court of Burke and Caswell, and removed to this Court, were transferred to Morganton.

U. S. v. Hancock, continued. The libel docket will be taken up next week, there remaining only a few criminal cases undisposed of. Upon the trial docket there are eighty two cases brought by the Assignee of the Bank of North Carolina. The Court will hardly adjourn before the 22nd of December, if then.

Court adjourned till monday.

RALEIGH MATRONS' AID SOCIETY.—The Ladies connected with this Society, held a meeting on Saturday, elected permanent officers, and appointed committees for the management of the affairs of the Society.

At the meeting it was ascertained that the nett proceeds of the Fair held last week reached the sum of $352.

A resolution was adopted returning the thanks of the ladies to the following merchants and persons doing business in this city for kindness shown the Society in loaning articles for sale; viz: H. Fendt, Junius Lewis, A. D. Royster & Bro., W. H. & R. S. Tucker & Co., Mrs. S. Kline, L. Adams, Primrose, Petty & Newsom, Pescud, Lee & Co., J. A. Jones, John C. Palmer, J. H. Ennis, Pepper & O'Conner, and Mr. Nat. Brown with Ph. Thiem.

The Society will meet to-morrow, (Tuesday) at the residence of Mrs. Evans.

WAKE TOWNSHIPS.—What are our County Commissioners doing in regard to arranging the Townships? Most of the counties of the State have laid off their Townships, had their action ratified by the Legislature, and are now under headway with the new machinery. But our Wake Commissioners seem to have forgotten that this is a duty imposed upon them by law; or rather, they seem disposed to ignore the law on the subject, and thus prevent the people having a chance to elect their township officers for another year, for they *know* that when the people get the matter in hand, some, if not all of the present incumbents will go by the Board.

We demand of the Commissioners a performance of their duty in this respect, and if they fail it will be the duty of the next Grand Jury to present them for violation of the law in the matter.

AN EDITOR IN LUCK.—Somebody has sent the editor of the Weldon *News* a bale of cotton—given it to him, to assist him in the improvements intended to be made in the *News*. Nor was it a refuse bale, nor a little bale, for he sold it for $100, clean cash. Well, the proprietors of that paper deserve such encouragement, and we are glad to see their efforts in getting out a good paper thus appreciated.

From the Tarboro *Southerner* we gather the following items:

On Friday evening 26th, November, Dr. Josiah Lawrence, was knocked down and so badly injured by a runaway horse, that he died soon after.

On Saturday 27th, November, little Johnny Norfleet, son of Robert Norfleet, Esq., of Edgecombe, at school in Oxford, accidentally shot himself with a pistol, the ball taking effect in the head." At last account his case was doubtful.

One negro shot another in Edgecombe last week, during a quarrel about the division of some tools owned in common by them.

The three negro's accused of the murder of Griffin were arraigned and their trial set for Friday.

Judge Watts talks of retiring from the Bench, on the ground that the present salary of the Judges is not sufficient to secure the requisite talent for the position!

GOLD PRIZES.—The fifth number of the *Carolina Farmer*, new series, is before us.—It is, as usual, filled with choice original and selected matter for the farm and fireside; and at $2 00 per year is one of the cheapest Family Weeklies in the country. In the number before us the proprietor announces a prize of *Twenty Five Dollars in Gold* for the largest, *Fifteen Dollars in Gold* for the second largest, and *Ten Dollars in Gold* for the third largest club of subscribers sent by any one person between December 15th, 1869, and March 15th, 1870. Parties wishing to compete for the Gold prizes may obtain specimen copies of the *Carolina Farmer*, and blank subscription lists by addressing Wm. H. Bernard, Editor and Proprietor, Wilmington, N. C.

Col. Walter Clark, of this county, has been appointed Attorney for the Raleigh & Gaston Railroad, *vice* Col. Wm. A. Jenkins, dec'd.—*Weldon News.*

AFTER BILLY WITH A SHARP STICK.—The Ring masters having got all the refractory members to working quietly in harness, and ready to dispose of their stock of "eyes and noses," as directed, have now turned their attention to outsiders—that is to those who took their pickings among the honors and *profits* outside the Legislative Halls. Billy Smith, who runs the North Carolina Railroad, is the first who is ordered to "come to taw," as will be seen by reference to the Saturday's Senate proceedings. Billy knows what this means, and of course will have to knock under.

Others will be taken in hand in due course; some will be kicked in and some kicked out—the latter mostly of that class who have not been entrusted to any extent with the party secrets. We don't know what will be done with those who voted for the sub committee to go to New York—lash them well in caucus, we suppose.

On Thursday last the cotton gin of R. P. Alston, Esq., of Warren, with thirty bales of cotton, was destroyed by fire, the work of an incendiary.

MEN OF THE CONFEDERACY—WHERE ARE THEY.

Jefferson Davis is announced as having gone into business at Memphis, Tennessee; John C. Breckinridge is practicing law at Lexington, Kentucky; James M. Mason is on his farm at Winchester, Virginia; John Slidell is with his son-in-law, the great banker, Erlanger, near Paris; Judah P. Benjamin is in full practice at the London bar; Pierre Soule, at last accounts, was a hopeless invalid; R. M. T. Hunter is at his farm in Virginia; Robert Toombs is practicing law with success in Georgia; his colleague, Iverson, is a prosperous wood merchant at Macon, Georgia; A. H. Stephens is sinking gradually at his home in Georgia; General Lee is at the head of the Military Institute at Lexington, Virginia; Beauregard is President of a Railroad at New Orleans; Mosby is practicing law in Virginia; Com. Buchanan was lately at the head of an Agricultural school in Maryland; Raphael Semmes is at Mobile; Bankhead Magruder is lecturing on Carlotta and Maximilian; ex Governor Vance is practicing law in North Carolina, and refuses to ask for the pardon; A. G. Brown, Edward Barksdale and Wiley P. Harris are supporting Judge Dent for Governor of Mississippi; James L. Orr is a State Judge in South Carolina; Robert W. Johnson and Albert Pike have opened an office in Washington, D. C.; ex Senators Yulee and Mallory are alternately in Florida and New York, ex Senator Wigfall, of Texas, in Paris; George N. Sanders is in London, and Beverly Tucker in Canada; Henry A. Wise, Thomas S. Bocock, J. A. Seddon, H. A. Edmundson, and Charles James Faulkner are still in Virginia.

A PROFESSOR VICTIMIZED.—Some students in one of our colleges being frequently annoyed by the nocturnal and inquisitorial visits of a professor, who suspected them of playing cards, one evening prepared a kettle of mush, otherwise called hasty pudding, and by the time it had boiled had seated themselves around the table in the attitude of card-playing, waiting patiently for the well known step of the professor. It was no sooner heard than a large outside pocket of one of them was forthwith filled with hasty puddiyg, and all were seated as before. As soon as the professor had opened the door, the student who was loaded with the mush made a sudden sweep over the table with his hand, as if to gather up the cards, and with another motion apparently put them into the pocket containing the mush. These motions could not be helped being noticed, as they were intended to be, by the professor, who, considering them as pretty strong evidences of guilt, broke out with the following:

"Well, young gentlemen, I've caught you at last, have I?"

"Why, yes, sir, we are all here."

"So I see you are, and you have been playing cards, too."

"No, sir, it is not so."

"It isn't, eh? What have you got in your pocket, young man?"

"Hot hasty pudding, sir."

"Hot hasty pudding, eh! hasty pudding, have you? I'll pudding you," said the professor, at the same time thrusting his hand half-way to the elbow into the hot hasty pudding.

The dolorous looks, the shaking of fingers, the groaning and capers of the professor, belong to the sphere of imagination—not description.

The Remarkable Properties of Brown's Bronchial Troches have been thoroughly tested sin e first introduced. The demand for them has steadily increased, and purely upon their own merits, they have found favor with those who, from Pulmonary, Bronchial, or Asthmatic complaints, require them. For Coughs and Colds they are efficacious.

Notes for December, addressed to the Feeble and Debilitated.

This is a trying season for invalids, indeed for all who are not blessed with robust constitutions and iron frames.

Cold has come upon us suddenly, sealing up the open pores, and sealing in as it were, any seeds of disease that may have been lurking in the system, but which remained undeveloped so long as the waste matter of the body and all acrid and unwholesome humors were freely discharged by evaporation from the surface and through the bowels.

A tonic, aperient and alterative medicine is now needed to invigorate the vital powers depressed by a low temperature; to stimulate and purify the secretions, and to fit the body to endure, without inconvenience, pain or danger, the sudden climatic change which ushers in the Winter.

The only preparation which will fully meet this almost universal need, and will thoroughly and safely perform the important work, is the leading tonic and alterative of the age, HOSTETTER'S STOMACH BITTERS.

This popular specific improves the appetite, invigorates the digestive organs, regulates the flow of bile, enriches the blood, calms the nerves, relieves constipation, promotes superficial circulation and evaporation, and being composed solely of wholesome vegetable elements, with a pure stimulant as their diffusive vehicle, may be taken by the weakest without fear. The flavor is agreeable, for although the BITTERS are a potent medicine, they contain no nauseating element.

WASHINGTON, Dec. 4.—The effective strength of the Federal army is 56,000, though the paper force is 52,000. Gen. Sherman submits a plan for enlisting 42,000, of whom two thirds shall be in actual service, below which he thinks the reduction would be unsafe.

DR. LAWRENCE'S

Highly Concentrated Compound

FLUID EXTRACT OF

Koskoo!

THE GREAT HEALTH RESTORER!

NOT A SECRET QUACK MEDICINE—FORMULA AROUND THE BOTTLE.

Prepared Solely by

J. J. LAWRENCE, M. D.

ORGANIC CHEMIST,

NORFOLK, VIRGINIA.

☞ Beware of Counterfeits. See that Dr. J. J. Lawrence, Chemist, Norfolk, Va., and the word KOSKOO, is BLOWN ON THE GLASS of each bottle. ☜

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., Sept. 18, 1869.

DR. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the *happiest results*. I find it to be a *powerful Liver Invigorator Blood Purifier* and *Nervous Tonic*. In all diseases of the Liver, Scrofulous Syphilitic, Nervous Affections, *it is a remedy of immense value*; in fact, in almost every variety of Chronic Disease its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect, your obedient servant,

R. C. TILLERY, M. D.

From Dr. Fentress, an accomplished and experienced physician.

Princess Anne Court House, Va Sept. 13, 1869.

J. J. LAWRENCE, M. D.—Dear Sir: I have carefully examined the formula, as well as the Therapetic properties of your Koskoo compound, *and have prescribed it* in some *stubborn cases of Chronic Liver Affections Dyspepsia, General Debility, &c., and always with the most gratifying results*. I find it to be a splendid *Tonic Alterative, and Hepatic combination*, accomplishing its constitutional effects *without the slightest debility*; in fact *it gives the support to the General system* while its alterative effects are being produced. *I cheerfully recommend its use to the public*. Yours, truly;

T. F. FENTRESS, M. D.

KOSKOO cures SCROFULA IN ITS WORST FORMS. From Mr. A. W. Mills, a prominent and well-known merchant of Norfolk, Va.:

No. 11, Main St., Norfolk, Va., Sept. 15, 1869.

DR. LAWRENCE—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—IT ACTED LIKE A CHARM ON HER—UNDER ITS USE THE ULCERS GRADUALLY HEALED, AND HER GENERAL HEALTH GREATLY IMPROVED. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a SPECIFIC for all scrofulous affections. Your Koskoo also cured my wife of dyspepsia, from which she suffered greatly. SHE IS NOW IN BETTER HEALTH THAN SHE HAS BEEN IN FIVE YEARS.

With the highest regards, I am gratefully yours, &c., A. W. MILLS.

KOSKOO, THE GREAT INVIGORATOR.—Read the following from the Rev. Joseph E. Martin, pastor of Wesley Chapel, Portsmouth, Va.:

"This is to certify that myself and wife have used Dr. Lawrence's Koskoo, and can testify to its beneficial effects. Previous to taking it we were in a condition of debility—had no appetite, and suffered from sudden and often violent attacks of headache and nervousness. Two bottles of Koskoo has improved our general health, and we regard it as invaluable, and most cheerfully recommend it to all who have need of an invigorator. Yours, &c.,

JOSEPH E. MARTIN.

KOSKOO!

CURES CHRONIC RHEUMATISM.

Norfolk, Virginia, September 7, 1869.

DR. J. J. LAWRENCE—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo IS AN INFAILIBLE REMEDY for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—THAT SURELY CURES. The great amount of good it is now doing among us is inestimable.

With much gratitude, I am respectfully yours, &c., MRS. M. E. A. NELSON.

Dr. Lawrence—Dear Sir Having been treated by several skilful physicians for Dyspepsia, Chronic Disease of Kidneys, General Debility, &c., without benefit, as a last resort I commenced the use of your Koskoo, and am pleased to say that under its use my health has been entirely restored

I am, sir, with much respect your obedient servant, O. B. MEARS.

No. 5 Market St., Norfolk, Va., July 6, 1869.

Pacific, Franklin Co., N. C., Sept. 11, 1869.

This is to certify that for a long time I suffered very much from inaction of the liver and constipation of the bowels and tried several remedies, but received no benefit until I commenced taking Koskoo. I took the medicine about one month, and I was completely *cured* and have remained well. I know of several *cures* made by Koskoo, and can cordially recommend it as a good medicine. JOHN H. BAKER.

From Mr. Womble, a prominent hardware merchant of Norfolk:

No. 13 Market Square, Norfolk, Va., Oct. 25, 1869

DR. LAWRENCE.—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of KOSKOO RESTORED ME TO HEALTH.

Yours, truly, J. G WOMBLE.

From Rev. W. H. Christian, Pastor Dinwiddie Street Methodist Church;

PORTSMOUTH, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy the fullest confidence. I have used his "Koskoo" with advantage to myself, and have adopted its use in my family in cases of nervous debility and depression.

W. H. CRISTIAN.

THE UTLEY

COTTON PRESS.

A NEW combination of power, whereby all friction is overcome. The simplicity, economy and durability of this PRESS astonishes all who see it, and the more so that a power so simple should so long have been unappropriated. With this Press, two men can do all the packing or pressing of a bale pound bale inside of eight minutes: and it can be readily taken down and transported, as it is simple and light. We can supply these Presses cheaper than any yet offered to the Planter. Will send circulars to any desiring and we would advise all persons wanting presses to withhold buying until they examine this

THE PRESSES are now being manufactured at the SASH AND BLIND FACTORY OF THOS H. BRIGGS. All are assured that as between this and any other there is no argument as to its merits over all others. With the irons, any ordinary workman can put them up. The patentee is here for a few days, and will take pleasure in explaining its merits.

AND CONSTANTLY INCREASING.

ALL THE SURPLUS OF THE COMPANY DIVIDED AMONG THE ASSURED.

DIVIDENDS DECLARED AND PAID ANNUALLY ON THE CONTRIBUTION PLAN.

ALL POLICIES (AFTER TWO FULL PAYMENTS) NON-FORFEITABLE, AND SO EXPRESSED ON EACH POLICY.

No Restrictions as to Residence and Travel in the United States,

RATES LOWER THAN ANY OTHER COMPANY THAT PAYS DIVIDENDS TO POLICY-HOLDERS.

IT ISSUES ALL THE VARIOUS FORMS OF LIFE AND ENDOWMENT POLICIES.

LOSSES PAID PROMPTLY IN CASH.

LIST OF LOSSES ACTUALLY PAID BY THE ÆTNA LIFE INS. CO., AT THE BRANCH OFFICE, IN RALEIGH, BY THE HANDS OF W. H. CROW, GENERAL MANAGER OF THE STATE AND PART OF VA.

No.	15,272	$ 5,000

"	38,650	5,000

"	22,304	15,00

And $5,000 ready to pay a loss of No. 24,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$16,54
EQUITABLE,	17,44
NORTH AMERICA,	21,16
BROOKLYN,	21,99
UNIVERSAL,	27,24
JOHN HANCOCK,	18,27
THE NATIONAL,	63,43
THE ÆTNA,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its forma tion."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 589 policies, received an income of seventy-eight thousand dollars, and possessed net assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13 237 new policies, more than any other Company except the Mutual Life; received an income exceeding six million dollars and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
